Desiree noted that Kalei, or Cece, Hoffman who works at the Kaua‘i Museum and was excited about being a commissioner however she has a longstanding commitment on Tuesday nights and wanted to see if we would consider moving the meetings to the second Wednesday of the month as she would be a great edition to the Commission. Kainoa mentioned that he is not available and could only do Mondays. Desiree will follow up with Cece regarding her participation. Commissioners can submit a report or proxy to vote at the meetings if they cannot attend to accommodate to fill the outstanding seats. Kainoa mentioned that we have had vacancies for a long time for Waimānalo and Papakōlea and one consideration is to remove both of those seats and add on Sovereign Council of Hawaiian Homestead Associations (SCHHA) who operates across the state or add an O‘ahu Commission seat. We should consider adding additional organizations through legislation which would need to be introduced in January or February and would require testimony and lobbying.
